REQUEST FOR CONTINUED EXAMINATION

Enclosed is a true copy of the following documents regarding a Request for Continued Examination (RCE) that was filed in the above-noted patent application on June 14, 2004:

- RCE filed on June 14, 2004
- Fee Transmittal Form for the RCE
- Cashed check indicating payment of fees for the RCE
- Stamped return postcard indicating receipt by the U.S.P.T.O.
- Response that served as the submission for the RCE

The attached RCE was filed on June 14, 2004 but has not been entered in the above-noted application. Applicants have periodically checked Private PAIR to determine the status of the RCE, which has failed to appear in the application. In addition, Applicants have called the Examiner periodically to discuss the status of the RCE. Based on telephone conversations with the Examiner on December 9 and 10, 2004, Applicants decided to refile the RCE with documentation demonstrating its earlier filing and payment of fees. In preparing the submission, Applicants discovered that two numbers were transposed in the Application Serial Number on the RCE that was previously filed. All of the other application identification information was listed correctly on the RCE.

Applicants request that the RCE be processed and the submission be entered in the above-noted application and that the documents be given the filing date of June 14, 2004. Applicants believe that no fee is required, but the Director is hereby authorized to charge any additional amount required, or credit any overpayment, to Deposit Account No. 19-2112. The undersigned is an attorney of record and may be reached at the telephone number below if the Office has any questions.
